

# Red Eye Damsel

By Morne Bayman

## Materials:

**Hook:** 8 -12 4X Long

**Thread:** Colour to match Abdomen

**Tail:** Marabou tips

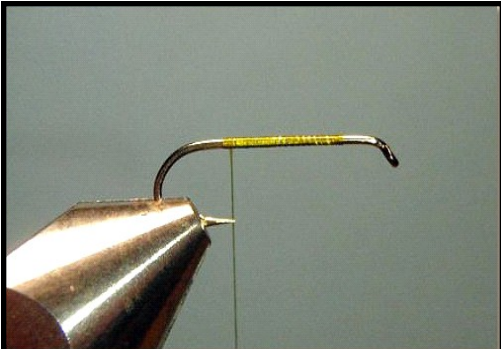

**Abdomen:** Marabou colour to match tail.

**Thorax:** Dubbing to match Abdomen

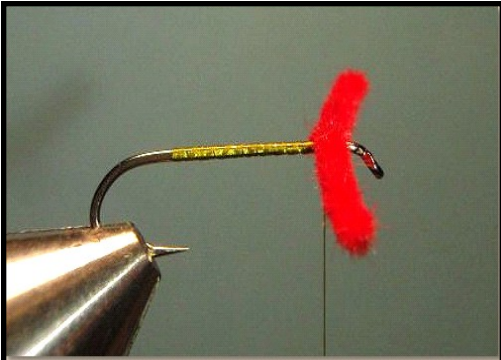

**Rib:** Fine copper/gold wire

**Eyes:** Red tuff Chenille

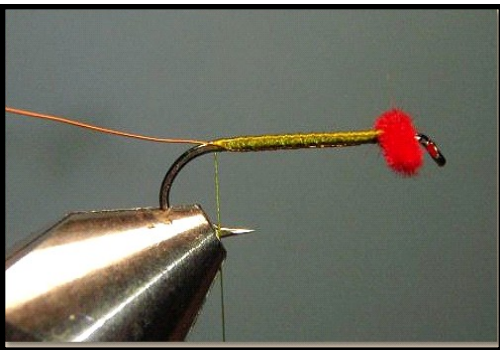

**Step 1.** Attach thread to hook.

**Step 2.** Attach chenille to front of hook and secure with figure of eight wraps.

**Step 3.** Tie in ribbing material

**Step 4.** Tie in marabou tail with a pinch loop and take thread forward.

**Step 5.** Wind the Marabou around the hook shank, but do not twist.

**Step 6.** Tie off Marabou and clip off excess.

**Step 7 and 8.** Secure the Marabou with the copper wire and to create segmentation. Spin a thin noodle of dubbing.

**Step 9.** Wrap the dubbing around the eyes with a figure of eight wraps. Form a small head and whip finish. Trim eyes to length.
